

# EC-CERTIFICATE OF CONFORMITY

### 0809 - CPD - 0636

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction products

## Self supporting double skin metal faced insulating panels

# AST T, AST S, AST F and AST E

which are self supporting double skin coil coated insulating panels with mineral wool core and are used in external and internal walls and AST E also in ceilings

placed on the market by

#### Paroc Panel System Oy Ab Skräbbölentie 14 -16 FI-21600 PARAINEN

and produced in the factory

#### Paroc Panel System Oy Ab, Sysilahden teollisuusalue 2 FI-21600 PARAINEN

are submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body -No. 0809- has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that the provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

### EN 14509: 2006/AC 2008

were applied and that the products fulfil all the prescribed requirements.

This certificate was first issued on 31.08.2009, updated on 06.04.2010 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
